Wright Brothers Family Foundation
Wright Memorial Public Library Foundation

The Wright Library Foundation extends a special thank you to those who have donated to the Making an Impact Capital Campaign as of Dec. 31, 2020. The Capital Campaign seeks to raise \$1.5 million in private support for the library's renovation. Thanks to this first wave of donations, the campaign has reached 70 percent of goal. Each pledge is a critical part of Wright Library's Next Chapter Revitalization Project, which will transform the library's learning and community spaces to better serve Oakwood for decades to come.
