

Makerboxes Liability Waiver

Conditions of Use

You agree to use the Makerboxes, including all tools or materials, as they were designed to be used, including but not limited to safe use as described in manufacturer recommendations. You agree to be responsible for the continued good condition of Makerbox tools or materials while the Makerbox is being used by or is checked out to you. **Replacement cost of a Makerbox is \$350 or more.**

Assumption of Risk

You agree that you are voluntarily interacting with the Makerboxes, with the knowledge of risks of doing so, such as: injury, property damage, or death, resulting from the use or misuse of potentially dangerous tools or materials. Adults should carefully supervise use of Makerboxes and ensure safety of age appropriate audiences.

Release of Liability

You release the Wright Memorial Public Library and its employees and volunteers from all liability, claims, damage, or demands arising from or related to your interaction with the Makerboxes

Makerboxes

The Wright Memorial Public Library has “Makerboxes” of hands-on activity resources for use by patrons. These Makerboxes focus on STEAM (Science, Technology, Engineering, Art, and Mathematics) themes and are designed for use under careful adult supervision with age appropriate audiences.

a) Eligible Borrowers

- Makerboxes are available for current WMPL patrons 18 years or older who have a library card with a verified address (patrons with a 20 item checkout limit or higher).
- A signed waiver form (see appendix) is required.
- Patrons who owe \$5.00 or more in fines or fees are not eligible to borrow Makerboxes until their library account is again in good standing.

b) Borrowing Guidelines

- Makerboxes are available at the public service desk and may be borrowed for 21 days.
- Makerboxes require a library card in hand and must be made to the individual card holder only. Makerboxes may not be loaned to other individuals.
- Only one Makerbox is loaned per person at one time.
- Patrons borrowing Makerboxes are responsible for the box contents the entire time they are loaned out.
- Makerboxes will have an inventory of *Tools/Machinery* (must be returned) and *Supplies/Consumables* (may be used and/or kept by borrower).

c) Return Procedures

- The Makerboxes must be returned to library employees at the public service desk (do not use library book drops to return Makerboxes).
- The staff will check the Makerboxes for any damage or missing contents. If damage or loss has occurred, charges will be assessed accordingly.

d) Fines and Liability

- The individual borrowing the Makerbox assumes all responsibility for the box and contents. WMPL assumes no responsibility if the Makerbox is stolen or any liability for use of the Makerbox while loaned out to a patron.
- The overdue fine for Makerbox is \$1.00 per day (\$25 max).
- Charges for lost or damaged accessories (tools/machinery) will be assessed. Replacement cost of a Makerbox is \$350 or more.
